We confirm that relevant deliverables and evidence necessary to support the Product's technical interfaces and functionality have been received. The evidence is sufficient to prove that the required standard for the interfaces and functions of the Product have been achieved.

Accordingly, the Supplier is granted the Solution Assurance Conformance Certificate for the Product for the service/programme and product type listed.

Please note that the granting by NHS Digital of this Solution Assurance Conformance Certificate shall not result in a transfer of risk to NHS Digital in respect of any part of the Services. It is the responsibility of the implementer of the Product to satisfy all requirements not related directly to the interoperability of the interfaces and functions against the standard listed above.

Yours faithfully
